

Resources for Underprepared Students

Updated 5/22/2017

The California Community Colleges Online Education Initiative (OEI) provides a list of ADA compliant resources that have been identified by the OEI Basic Skills Work Group for use in both online and face-to-face courses. All resources are either Open Educational Resources or are freely available to use and not password protected. We encourage you to submit resources you find to be valuable, either self-developed or developed by others. For more information, please visit the OEI Website at <http://CCCOOnlineEd.org>.
